After intake the students and/or their parents and sponsors are under no circumstance allowed to bring in **ANY** goods and/or groceries from outside, this is to stop any smuggling of substances and cigarettes.

We have a fully stocked Tuck Shop on the premises and once a week the students can order toiletries and groceries through the Tuck Shop if it is not available in the shop or if they like a different brand.

Monies must be paid in to the following account and the **STUDENT'S NAME** as reference.

No money will be paid back when the student leave the program for whatever reason. Please budget accordingly.

When a student leaves the program and he/she has money in the tuck shop account, one of 3 things can happen.

1. The student can buy stock equal to the amount available.
2. He/She can transfer that money to another student on the program.
3. He/She can donate that money to the Tuck Shop Donation Fund where it WILL be used to help students that rarely or never receive any money to buy toiletries and essentials.
